

## **Just Health Associate**

**The Position:** The primary role of the **Just Health Associate** is to provide project coordination and support for the Partnership for Southern Equity Just Health special project and *The Two Georgias Initiative*, a Healthcare Georgia Foundation community investment; and to ensure the advancement of health equity as the core value of the two organizations.

### **Role and Responsibilities:**

- Provide project support and coordination to the Just Health special project and *The Two Georgias Initiative*
- Provide technology and administrative support to complete benchmarks and project updates
- Develop relationships with management teams and grantee partnership groups
- Identify health equity community best practice models to strengthen grantees/partnerships equity strategy implementation
- Participate in staff meetings, including *The Two Georgias Initiative* management team meetings
- Provide timely administrative documentation for all duties assigned
- Always represent the Partnership for Southern Equity and Healthcare Georgia Foundation in a professional and ethical manner

### **Experience and Skills Desired for This Position:**

- Possess a strong commitment to racial equity, social justice and systems change
- Minimum 2-5 years of experience in health-related community building and/or health disparities focused on racial equity and/or poverty issues
- Understanding of the social determinants of health and equity
- Experience in working effectively with diverse populations and communities
- Familiarity with and an openness to different approaches to working with low-income and rural communities
- Excellent communication (oral and written) and technology skills
- Ability to work remotely to manage assignments and meet deadlines.

**For consideration, submit your resume and cover letter to [careers@psequity.org](mailto:careers@psequity.org) by November 30, 2018.**
